

Welcome to the 2019 Adult Softball Season in Apple Valley!

The City of Apple Valley's Parks and Recreation Department will be offering a wide variety of leagues, from recreational level (lower D/E) to the more intermediate (D) level of play. Men's doubleheader leagues will be offered Sunday through Thursday evenings. We will also provide two separate Co-rec doubleheader leagues on Friday evenings. (Recreational lower D/E, and an Intermediate D, level of play.)

PLAYOFFS for ALL TEAMS have been added at the end of the regular league season. These playoff games will be on the same night as your team's regular league games.

New resident teams as well as all returning teams from last summer will have until February 5 to reserve a spot in this year's softball league program. Returning fall 2018 teams will be able to register beginning Thursday, February 7. Starting Monday, February 11, all NEW TEAM registrations will begin. ALL teams may continue registering until all leagues are filled.

This year, we will be offering an 11 week, 22 game season & an end of season playoff tournament for all of our teams. (Playoffs will be a single elimination with consolation bracket tournament, an additional 2 to 5 games!)

Each league championship team will receive league championship T-shirts as well as a team championship photo plaque. The league championship team & the league runner-up will also receive a team gift card to a local Apple Valley restaurant/business. All of our softball leagues are sanctioned and affiliated with the USSSA Softball program. All of our teams are eligible for MRPA/USSSA regional and state play to the extent teams choose to go on from local league play. All of our umpires are required to be trained and certified as USSSA umpires.

Our leagues also provide an onsite evening park maintenance representative (to help maintain the fields at the optimal field condition) and a concession stand. We have five lit fields that are all fully fenced and irrigated with covered dugouts.

League information will be emailed to all of last year's summer and fall softball teams early January and the 2019 softball league information & registration information will be posted on this website on December 18, 2018.

For more information, visit the City of Apple Valley website at www.cityofapplevalley.org or contact Lyndell Frey (Recreation Supervisor) at Lfrey@cityofapplevalley.org or via phone at (952)-953-2316. Last summer we served 100 Men's & Co-rec teams in our Apple Valley Adult Summer league program and no teams were turned away in 2018. We are very excited about the upcoming 2019 Softball season and look forward to your team's participation in the league! PLAY BALL!
