**Tuesday
Jan. 24, 2017**

4-6 p.m.

Dakota County
Western Service Center
14955 Galaxie Avenue
Apple Valley, MN 55124

Room L139

*At the Open House,
you will have the
opportunity to:*

- Learn about the changes
- Meet with staff from Dakota County and the City of Apple Valley
- Provide comments and feedback

Dakota County and the City of Apple Valley are planning to add a new center median at the intersection of County Highway 42 and Embry Path in Apple Valley.

Residential development on the south side of County Highway 42 is expected to increase traffic levels at County Highway 42 and Embry Path. The new intersection improvement will allow safer and smoother traffic flow through the intersection.

The new median will restrict the ability to make left turns onto County Road 42 from Embry Path and eliminate through-traffic on the future street. Traffic will still be able to turn left or right from County Road 42 onto Embry Path.

Construction is scheduled for spring/summer 2017.
