## Leagues—2020

### SLOWPITCH SOFTBALL—COMBINED SUMMER/FALL SEASON

Due to the summer league being delayed by the COVID-19 pandemic, the Apple Valley summer & fall softball seasons have been combined into one season for 2020. All leagues include 22 regular-season doubleheader games plus playoffs with two games guaranteed. League fees include fields, one official/game, USSSA sanctioning fees, softballs, playoffs, and awards. Location: Johnny Cake Ridge Park. Register online at [www.cityofapplevalley.org/252/softball](http://www.cityofapplevalley.org/252/softball) All leagues are open until filled or five business days before games are able to start.

**When will games start?** We are following orders from the state and will resume games as soon as allowed. There will likely be some procedural and possibly rule adjustments based on guidance from the state.

**What happens if the season starts later in the summer?** The league fees are for a full 22 game season plus playoffs. We'll do everything we can to get all of those games in. If the start date for games ends up being pushed back far enough that we can't get the full slate of games in, any unplayed games will be refunded to teams at \$30 per game.
