September 9, 2021

Dear Resident:

Redwood Drive & Juniper Lane is in the City's 5 year Capital Improvement Plan (CIP) for reconstruction in **2022**. Public Works staff, survey crews, soil boring equipment and utility company personnel will be marking utilities in your area to gather specific information to be used in the planning and design process. This work will help identify any additional maintenance to be included in the future CIP project. We anticipate the locate markings to begin immediately.

You will receive a separate notice for a neighborhood meeting hosted by the City in the fall of 2021 to provide more specific information on the construction project scope and schedule.

Project maps & information can be found on the City of Apple Valley website:  
<https://mn-applevalley.civicplus.com/811/2022-Street-and-Utility-Improvements-Red>

If you have any questions, please call (952) 953-2409.
