

SUMMER SWIMMING LESSONS AT REDWOOD COMMUNITY POOL

All classes are Monday through Thursday for two weeks. Classes postponed due to poor weather will be made up on the Friday of that week. There are no make-up lessons for individuals who miss a class. You can only attend the class and session for which you are registered. Call the Weather Hotline for the latest information on weather related facility closings at 952-953-2399.

REGISTRATION DEADLINE: One Week Prior to Session Start

REGISTRATION & COSTS

Register at www.cityofapplevalley.org

Parent/Child and Tadpole Splash are \$44.00 per eight class session. Levels 1-6 are \$69.00 per eight class session. Registration for each session closes one week prior to session start.

Please register for all sessions in which you would like to participate. We will transfer children to other skill levels if they are not correctly assigned only if space is available in the appropriate level and the child is currently registered in a class during the same session. Children are unlikely to advance from one level to the next in a single eight class session. We recommend that they be registered in the same level each session unless you are advised otherwise by the child's instructor. We will give priority to children on the waiting list for each class if space becomes available.

Class Cancellations: The City of Apple Valley reserves the right to cancel any class for lack of registration no later than the Thursday prior to the session start date.

WHAT LEVEL IS BEST?

Parent/Child (P/C): For infants and toddlers ages six months to three years accompanied by parent.

Tadpole Splash (TS): For the young or fearful child. Children must be 3 or 4 years old. Level 1 skills will be introduced at a gradual pace.

Level 1: For the child who has not yet learned to float, but is not fearful of the water (we recommend Tadpole Splash for the fearful child).

Level 2: Ready to attempt floating on the front and back unsupported.

Level 3: Can swim the width of the pool using basic crawl and winging. Diving is introduced.

Level 4: Swimming widths using the front and elementary back strokes.

Level 5: Can swim the length of the pool using front crawl, back crawl, butterfly, breaststroke and elementary backstroke.

Level 6: Ready to swim laps using all strokes previously introduced.

If you have further questions regarding what class to register your child for, contact Steve Skinner at 952-953-2300 or sskinner@cityofapplevalley.org.
